## Father Of Farmer Resident Passes In South Carolina

Dr. William L. Presley, father of Mrs. J. E. Thompson who formerly lived in Belle Glade with her husband, passed away at his home in Due West, South Carolina, Monday after an illness of several months. He was 68 years old.

Dr. Presley, who was the nation's "Family Doctor" in his 40th year of medical practice and had forsaken a promising professional baseball career to finish his medical education and enter practice. Upon the occasion of being honored by the American Medical Association in 1948 one of his patients said "he had been a father to the churches, a mother to the motherless and a friend to all," at a testimonial.

Besides Mrs. Thompson, he is survived by one other daughter, Dr. Avon Park, Fla., two sisters and one brother.

## Democrats Plan Harmony Dinner

A Harmony Dinner, expected to be one of the biggest Democratic affairs in South Florida since the 1952 campaign, will be held October 9 at the George Washington Hotel in West Palm Beach. The \$5-a-plate dinner is being sponsored by State and County Democratic Executive Committee members for the purpose of raising money necessary for the fall campaign in the state, and especially in the hotly contested district races.

Loyal party members from the ten counties of the Sixth Congressional District of Florida will meet State and County officials, and hear several important speeches by political figures of national importance. Stephen Mitchell, head of the party's national committee, and James Millikan, chairman of the State Democratic Executive Committee, are cooperating with Martin Okeechobee, St. Lucie, Indian River and Palm Beach County committee members in rounding out an outstanding program for the dinner.

Advance ticket sales indicate an attendance between five hundred and a thousand. All persons interested in attending the big Democratic dinner are requested to notify Mr. A. C. Adams, chairman, on or before October 6, at the Biltmore Hotel, Room 1578, West Palm Beach. Ticket sales at the door on the night of the dinner will be limited.

## GIRL SCOUT LEADERS TO MEET TUESDAY

According to Mrs. Robert Allen there will be a meeting Tuesday night of Browne and Girl Scout leaders at the scout hall. All persons interested in scouting are asked to attend. Leaders and assistant leaders are still needed.

## NEWS OF GLADES BOYS AND GIRLS IN THE SERVICE

25th Div., Korea — Sgt. Paul J. Jackson, 22, whose wife lives at 63 Oceola Center, Belle Glade, Fla., is a member of the 25th Infantry Division, which is now being transferred from Korea to Schofield Barracks, Hawaii.

The 25th "Tropic Lightning" Division, which has been committed in Korea than any other American unit, arrived on the island of July 1950, shortly after the Communist invasion.

Sergeant Jackson, son of A. D. Jackson, 64 Oceola Center, Belle Glade, is a platoon sergeant in the 25th Infantry Regiment's Company K. He entered the Army in February 1953 and arrived overseas last October.

## Mayor Harold Rabin Home From Hospital

Mayor Harold J. Rabin, who suffered a heart attack several weeks ago and has been confined to Belle Glade Memorial hospital, was released Monday afternoon and will be convalescing at his home several more days. The mayor was recently re-elected to the city commission without opposition and at the reorganization of the city fathers last week was chosen by fellow commissioners to succeed himself as mayor for the ensuing year.

**PEAKS HERE SUNDAY** — Dr. C. M. Cotton, superintendent of the West Palm Beach District of the Methodist church, will bring a message to the congregation of the Community Methodist church here Sunday night, Dr. Cotton is the first in a series of guest speakers scheduled for the local church during October. Complete story on page seven of this issue.

## Soil Conservation Glades Committee Members Elected

Committee members to serve for the ensuing year on the Agricultural Stabilization and Conservation Community Committees were elected September 22. Results of the election show that the following members were chosen to serve on the two Glades community committees:

**Belle Glade-Okeechobee:** Chairman, Frank Wilson, South Bay; chairman, Leland Pearce, Belle Glade; vice chairman, Carl Barker, Belle Glade; regular member, G. G. McGowan, Belle Glade; first alternate, W. C. Young, Belle Glade; second alternate, J. W. Wilson, Belle Glade; delegate, and Leland Pearce, alternate delegate.

**For the Pahokee-Canal Point community:** the committee members are: Milton Douglas, Pahokee; chairman, Lewis Friend, Pahokee; vice chairman, Lester Armour, Jr., Canal Point; regular member, Jim Mizell, Pahokee; first alternate, Mike Sanders, Pahokee; second alternate, Milton Douglas, delegate, and Lewis Friend, alternate delegate.

The Agricultural Stabilization and Conservation County Convention was held September 24 and named the following members to the county committee to serve for one year from October 1st:

**E. F. Froehlich**, West Palm Beach; chairman; **F. L. Anderson**, South Bay; vice chairman; **A. R. Harrington**, Belle Glade; regular member; **R. L. Brad**, Belle Glade; first alternate; **W. C. Young**, Belle Glade; second alternate; **A. C. Adams**, Agent, secretary, and **W. C. Strickland**, West Palm Beach, treasurer.

These committees are known as "grass committees" and perform an important function in dealing with the U. S. Department of Agriculture.

**Glenn Swindle**, who has been with the local Post Office as a clerk for the past four years, is moving to Immokalee with his family. He will engage in the grocery business there.

## South Bay To Elect Three Councilmen

The annual South Bay city election will be held Tuesday, October 5, at the city hall in the city's two precincts open from 7 a. m. to 7 p. m.

Three incumbents are seeking re-election to the offices they now hold with three newcomers to the city's political scene also seeking the commission seats. The incumbents are Mayor J. S. Fisher, Frank Kelley and W. C. Allen. The other three candidates are Billy Rogers, prominent farmer, J. C. Brown, tillage operator, and Henry Efron, Glades cattleman. The three seats on the council are for 2-year terms. Two other members of the city council still have one year left to serve on their present terms. The 5-man council is elected on staggered terms with two members being holdovers each year and three the next year. By this method there are always at least two experienced councilmen on the board.

The election is city-wide with the three candidates polling the highest vote being elected. No candidate is running against any other one candidate. The three seats to be filled.

## Registration Books Close October 2

Saturday, Oct. 2, is deadline for registration for those who have not yet registered in the county for the coming general election. The Chamber of Commerce office will be open on that date until 11:30 a. m. and Mr. Edwin Young may be contacted at her home after that time.

Registration books will be available until Oct. 28, but must be returned by November 1. At the close of the football season this trophy will be awarded to the team that shows the best sportsmanship. If a team wins the cup two years in succession that school wins it permanently.

To give the fans an understanding of how the ratings are made, circulars were distributed at Memorial Field during the Miami Tech - Belle Glade game.

The trophy was recently displayed at the various schools in the conference. It was brought by Belle Glade by Mr. Lewis (Continue on Page Four)

## New Manager Is Named For Inn

United States Sugar Corporation has announced the appointment of Arthur F. Cotterell, formerly of The Biltmore Terrace, Miami Beach, as manager of The Clewiston Inn, succeeding Eddie Jones who has been asked to enter hotel business elsewhere.

The new manager comes to the hotel with a background of food circles that is international in scope. A native of Liverpool, England, Cotterell emigrated to America as a teen-ager, signed up with "Princess Pat" Canadian regiment at the outbreak of World War I and became one of the few survivors of this famed fighting group.

He started his hotel career in large Canadian hotels, later joining a national hotel auditing firm in the United States; became food and beverage administrator for various international hotel chains; and at one time headed the food control staff of the Dinkler Hotel, headquarters in Atlanta.

World War II his experience shifted to the civilian world and he was engaged by contractors and builders of such defense outposts as those in the Azores, Iceland, and at the war's end he was overseeing the Savarin Restaurants in New York, subsidiaries of the Hotel Waldorf-Astoria. He comes to Clewiston with his wife, Margaret, after a long tour of posts with the hotels McAllister and Columbus in Miami and the Sea Breeze and Biltmore Terrace in Miami Beach.

**TO PLAY FIRST SUNCOAST CONFERENCE GAME TONIGHT**—Belle Glade High school's football team take on Clewiston's Tigers in the first Suncoast Conference game of the season for the Rams tonight. The Rams played away from, bottom row—left to right: Marvin Bergman, Wayne Bair, Donald Tanner, Bobby Joe Thomas, Leo James, J. F. Wilcher, Jimmy Dooley, Johnny Miller. Middle row—Knocking—from left to right: Walter Mosley, Glen Curraway, Eddie Robinson, Jimmy Binkley, "Buck" Jones, Leon Barkett, Jimmy Cowart, Charles Royal, Back row—Standing—left to right: Harry McDonald, Kenneth Norris, Willard Carver, J. C. Womack, Don Crosby, Wayne Mock, Vance Broome, Bill Jackson, Tony Woodham.

## Belle Glade Rams, Clewiston Tigers In Conference Tilt

**"Stop Bethea" Battle Cry Of Local Gridiron In Contest Tonight**

By BILL NICHOLSON

The cry echoing through the Glades tonight will be "Stop Bethea", as the Belle Glade Rams, coached by Coach Peacock, take on the Clewiston Tigers, coached by Coach Peacock, in the first Suncoast Conference game of the season for the Rams tonight. The Rams played away from, bottom row—left to right: Marvin Bergman, Wayne Bair, Donald Tanner, Bobby Joe Thomas, Leo James, J. F. Wilcher, Jimmy Dooley, Johnny Miller. Middle row—Knocking—from left to right: Walter Mosley, Glen Curraway, Eddie Robinson, Jimmy Binkley, "Buck" Jones, Leon Barkett, Jimmy Cowart, Charles Royal, Back row—Standing—left to right: Harry McDonald, Kenneth Norris, Willard Carver, J. C. Womack, Don Crosby, Wayne Mock, Vance Broome, Bill Jackson, Tony Woodham.

During Tuesday's practice session Coach Peacock said: "After playing two non-conference games our boys feel that they are ready for conference play. They are mentally alert and won't give up when the chips are down. We expect Clewiston to be a passing attack along with the running of Bethea and White. Our greatest problem is to stop their offense."

Belle Glade is expected to try some tricks of its own, for Bobby Joe Thomas, quarterback, is improving his passing percentage. Bobby Joe completed six passes out of eight attempts, gaining forty-six yards, as Art Myers' tight end, who was injured in the previous game, was back along with the running of Bethea and White. Our greatest problem is to stop their offense."

Belle Glade dropped its first game in the Suncoast Conference when it lost to Miami Tech when a costly Ram fumble spelled victory for Tech, 6-0. Coach Carl Ferrara's eighth Tigers who operate from the "mule-wing" formation go into the game tonight. They did defeat Pahokee in their opening game and last week won a 14-0 victory over Okeechobee.

Tonight the schools, teams, coaches and fans packed to see the game. The game was judged for sportsmanship. You can help bring the Suncoast Sportsmanship Trophy to Belle Glade. Another story about the trophy is elsewhere in this issue of THE HERALD.

The Belle Glade City Commission met Wednesday night in a meeting adjourned from last week and passed on routine business.

One application for a new beer and wine license was rejected on a 2-2 vote and all bids for a tractor and mower were thrown out.

## Proposal To Erect Jute Mill In Belle Glade Area Greeted Enthusiastically At Meeting

### Road, Bridge Work Delayed By Rains

A report that rains in the Everglades were delaying several road and bridge projects was heard this week by the County Commission.

Commissioner Paul Rardin, Canal Point, reported progress on construction of bridges at Six Mile Bend, South Bay, Lake Harbor and on improvement of Lee Plant Road and State Road 15 between Belle Glade and Canal Point.

The Six Mile Bend bridge, Rardin said, has been completed and part of the rock fill along the Lee Plant Road has been placed. Rains however, are holding up the rest of the canal fill and also completion of bridge approaches. An early opening of the span was predicted.

Plans are being given for a new bridge at South Bay and a new span at Lake Harbor have been started.

Rains have delayed resurfacing of Lee Plant Road and contractors are ready to start on State Road 15 with the coming of better weather, Rardin said.

In another action in the county's road program, the commission learned from Commissioner Don Santy, Delray Beach, that county crews were aiding the City of Delray Beach in the repair of several streets where drainage problems had developed.

The commission also instructed Chairman Lake Lytal and Board Attorney Harry Johnston, Bonyon, to seek a site for a new county office building.

The Board set October 3 as the time the commission shall meet to review county tax assessments.

## Life Underwriters To Have New Pres.

Urban Koch, president of Everglades Life Underwriters association, has just returned from the national convention at the Everglades Hotel in Glades.

Mr. Koch, who has had a long career in life insurance agency in Clewiston since 1947 has moved with his family to Ft. Lauderdale where he has accepted a position as district manager for a life insurance company.

David Motes, Belle Glade insurance man, will replace Koch as president of the Everglades Life Underwriters.

## Traffic Safety Survey Asked On Intersection Of Highway To Glades

A night traffic safety survey at the intersection of State Road 80 and Road 7 was arranged this week at the request of County Commissioner Paul Rardin.

The Glades Commissioner said this "is the most hazardous intersection in Palm Beach County after sunset" when he requested the traffic check by the Florida Highway Patrol.

Steve Middleton, county engineer, and two previous FHP officers, when Dr. Allison surveys had brought recommendations for changes in signs marking the crossing. Rardin requested a night survey was approved by the county commission.

In the heart of the fabulous Florida Everglades where a fresh winter vegetable for the whole nation can be produced. Investigate our possibilities.

## Possibilities Aired At Gathering Called By Local Chamber

A proposal for a 2000-lb jute mill to be erected in the Glades was explained by A. Gutierrez to a group of Glades citizens at a meeting called by the Belle Glade Chamber of Commerce Tuesday. The City of Belle Glade, all civic organizations, bankers, business men and ordinary citizens as well as the County Resources Development Board were represented at the meeting.

Mr. Gutierrez's proposal anticipated joint existing laws, regulations, policies and appropriations with the Glades demonstrated agricultural ability and economical need to strengthen our national defense, further develop the production of vegetable fibers and add to the economy of the community with a predominantly summer crop yield.

These features may be listed, according to Mr. Gutierrez, as follows:

- (1) Utilize a National Resource: The development of cotton, a crop which is competitive with imported jute. The development of jute, a crop which is competitive with Glades crops. The further expansion and development of the jute industry in the Glades.
- (2) The utilization of existing laws, regulations and appropriations in contracts by the government for domestic production of jute burl or its designated substitute, to the extent of limited substitution.
- (3) The tolling and operation of a 2000-lb jute mill which will employ up to 2,000 persons and bring an additional \$450,000 to \$1,000,000 annually to the area.

This will be done by private enterprise. The Glades is rich in jute, which is one of the most critical in our defense.

The plan anticipates important new jute industry in the Glades. Mr. Uehra justifies it, and to use locally produced kenaf after the price decline.

The Flag Law and other plans of subsidy for domestically produced jute are being considered by the Federal Government and are widely used by our defense department to ease dependence on foreign imports.

Under present practices and government competition with jute imported from Mr. Nehru's country, at his asking price today.

Dr. R. V. Allison and the Everglades Station's fiber experts from the USDA, headed by Mr. Mills Byrom, are constantly improving the growing and processing methods of kenaf, jute and many other fibers not now produced in this country.

The present major industry in the Glades is the expanding of cotton, a crop which is competitive with imported jute. The field decorator now used in the Glades and being constantly under improvement by its inventor, Mr. Carter, is the most recent major progress in the extraction and recovery of fibers which Dr. Allison states can be grown in the Glades.

Rams, kenaf, jute, sisal and amaranth are among the fibers successfully grown in the muck lands, while jute is being used by private industry and our national defense.

The meeting passed unanimously a resolution of appreciation to the Shawnee Development Corporation for introducing and maintaining a summer payroll in the Glades, while the jute industry is being developed.

There was also passed a resolution of appreciation to the Shawnee Development Corporation for introducing and maintaining a summer payroll in the Glades, while the jute industry is being developed.

# Junior Football

The Junior football team made a good showing Tuesday night in Pahokee, under the leadership of Coach Goldwin. Pahokee ran approximately 35 yards to score a touchdown and make the extra point in the first quarter. Belle Glade was close to the 20 yard line several times, but for some reason or another, did not score.

Robert Archer was probably Belle Glade's best running back, and made a 65 yard run which was called back for a clipping penalty. Gary Perkins played a good quarter back for only one day of practice and Billy Jones played good defensive tackle for Belle Glade.

Jimmy Webster could not play this game because of an injury last week. The boys have been in training since the first of school and have been working hard all along. They are looking forward to the next game with Seacrest next Tuesday night.

Those who were out last year and are back this year are: Wayne Ingram, Gary Perkins, Skipper Poole, Ronnie Kirkman, Pete Kirkman, Mike Challancin, David Binkley, Larry Harris, and Benny Powell.

# Local Footballers Upset Favored Ft. Myers High Team

By BILL HOLSCHON

Belle Glade's Golden Rams scored an upset victory in a non-conference game last Friday night at Ft. Myers when they went over for a touchdown with only seconds remaining in the game.

The Rams overcame a 6-0 Fort Myers Green Wave lead and went on to win 7-6. The Rams scored with 12 seconds remaining in the game, with Walter Mosley carrying the leather over from the one-yard line. Bobby Joe Thomas passed to right end, Harry McDonald, for the extra point.

A crowd of about 2,500 fans were on hand in Edison Stadium to witness the non-conference game.

It was a defensive game all the way until the final few minutes of the game when Billy Weber scampered fifteen yards around left end for the Green Wave's only counter. The attempted conversion was blocked by Walter Mosley.

The Rams outplayed the Green Wave in every department. They earned eleven first downs to eight for the Greens. In the yardage department they picked up 100 yards rushing, while Fort Myers gained 72 in the air. Belle Glade picked up 46 yards and the opponents picked 18. Bobby Joe Thomas pitched eight times with six finding their mark for completion.

Belle Glade's running attack was led by Walter Mosley, Leon Burkette and Wayne Bied. The Rams gained yardage consistently through the middle and over the left side of the Fort

Myers line, where holes were opened by linemen Eddie Robinson, Buck Jones and Jimmy Binkley.

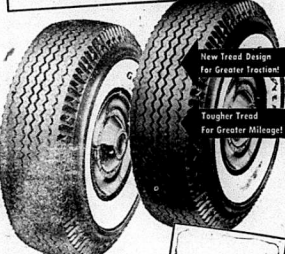

Bobby Jones, Belle Glade defensive back received head and neck injuries and according to reports it is doubtful he will be able to play again this season.

# Band Social

All of the members and their dates are invited to the band social after the game Friday night. There will be refreshments provided by a committee.

If someone prefers to bring a photograph and records, there will be dancing in the band room. This procedure will be carried out after all the home games this season, for band members and their dates only.

# Student Council

Connie Perkins was elected president of the student council at the end of the school term in the spring and other officers elected at a meeting Tuesday morning were: vice president, Karen Allison; secretary, Karen Allison; treasurer, Louise Friedheim; chaplain, Faye Herling.

The council decided to put up posters in the hall on good conduct and sportsmanship. They are also making a school calendar, whereby any class that is slacking any activity must have the date reserved on the calendar. This will prevent confusion, and no two events will be scheduled for the same time. They are planning the assembly program too. Each class and the most activities will be put on at assembly this year.

**School Newspaper**

Louise Taylor was elected Editor of the Junior newspaper when all Juniors interested in working on the newspaper met with their sponsor, Miss Viola Bass, Monday afternoon.

Others officers elected were: Feature editors, Karen Allison and Frances Sloan; Proofreaders, Dorothy Irvin; Art editor, Ann Spann; Sport editors, Joyce Burke and Louise Stroble; Typists, Amrella Browne and Jeanne Willis; Business Manager, Jo Margaret Parson; and Faye Herling; Printing Editor, Martha Williams.

The first edition of the paper will be out on Friday, Oct. 8, the staff announces, but at this time the paper has not been named.
